Safe Church & Volunteer Covenant

We are committed to providing a safe and secure environment for all who participate in ministries and activities offered by the church. The following policies and procedures reflect our congregation's commitment to preserving the safe space.

Please check the following policies to which you will consent:

- I will attend a Safe Church training.
- I will observe all Safe Church procedures (child-adult ratios, bathroom policies, discipline policies).
- I will complete a CORI release.
- I will not use physical discipline to manage a child's behavior, nor will I use verbally aggressive language toward a child or fellow volunteer.
- I will notify the pastor if I am accused or convicted of an offense related to violence or child or adult abuse or neglect after the time that my CORI report is completed.
- I will refrain from the use of alcohol and drugs while volunteering with the program (Note: This applies to when you are physically present during programs, and not in your personal life.)
- I will report all behaviors or reports of suspected or disclosed child abuse or neglect to the pastor.
- I will treat all children, youth, and fellow volunteers with respect regardless of sexuality, gender identity, psychological, physical, or intellectual ability, race/ethnicity, or socio-economic class.
- I will not photograph children, youth, or program activities without the explicit direction or consent.
- I will not post any photographs of any children or youth on social media or personal websites.
- I will consult with the pastor if I have any concerns about the program, children, or fellow volunteers.
- I understand that my service as a volunteer may be discontinued by my own action or by request.

Please explain any of the above statements to which you were unable to consent:

I have read and understand this covenant, and agree to abide by this covenant to the best of my ability.
